

BRINGING UP FATHER

IN NORTH TOPEKA

Aaron Sheetz Meets an Old Comrade in Arms.

Lycium Season Closes at Shorey School Tonight.

While taking the degrees of the Scottish Rite in the Masonic Temple yesterday Aaron Sheetz met an old friend of his whom he had not seen since 1894. Sheetz and R. L. Kepling were comrades together in the Third Pennsylvania regiment of heavy artillery and until yesterday had not seen each other since one of them was transferred to the One Hundred and Eighty-eighth regiment of the same state. Mr. Kepling is a retired farmer of Junction City, where he has lived for the past thirty years. Mr. Sheetz came to Topeka in April, 1890, from Reading, Pa., to help in starting a rolling mill. Later the mill was destroyed by fire and Sheetz went to Joliet, Ill., returning the next year when he engaged in the grocery business. Mr. Kepling came to Kansas in 1894 and lived on a farm near Junction City until his retirement, when he moved to town. They had not met each other in all those years until yesterday when they were introduced by Fred Voland.

Automobile Collision.

Two autos were slightly damaged Thursday afternoon when Byron Temple, who was driving north on lower Kansas avenue, turned into the curb and hit the car driven by C. A. Marker, manager of the Topeka Creamery company. A fender was torn loose on Marker's car, and the light and bumper broken on Mr. Willcutt's car.

School Entertainment.

An entertainment and social will be given at the Eola school house, three miles southwest of Meriden, Saturday evening, March 25.

The program will be given by Miss Iva Peck, who has been teaching in the Boltz school for the last two terms and will consist of music and recitations. Miss McAllister of Topeka will give several readings and D. H. Wallace of the Lyman school will deliver a short address.

Lycium Season to Close.

The last program of the season will be given this evening at Shorey school house by the members of Shorey and Rochester lycium. All through the winter months each Friday evening the societies have held meetings to get together with special programs arranged. Tonight special programs arranged by the company will furnish the program for the evening. The company consists of a number of fine orchestras with special features for the evening.

"Why Swear, Dear? Use 'Gets-It' for Corns!"

It's the New Plan. Simple. Sure as Fate. Applied in a Few Seconds.

"Why, John, I never knew you to use such language! I've told you several times it's no use to try those bandages, salves, tapes, plasters, and

contraptions for corns. Here's some 'Gets-It' it's just wonderful how easy, clear and clean it makes any corn come right off. Takes but a few seconds to apply. Dries at once. Put your sock on right over it—there's nothing to stick or roll up, form a bundle of your toe, or press on the corn. It's painless, simple as rolling off a log. Now put away those knives, razors and scissors, you'll have a sweeter disposition and no more corns and callouses.

"Gets-It" is sold by druggists everywhere. 25c a bottle, or sent direct by E. Lawrence & Co., Chicago, Ill. Sold in Topeka and recommended as the world's best corn remedy by F. L. Brose, A. C. Klingman & Co.—Advertisement.

DRAWN FOR THE STATE JOURNAL BY GEORGE M'MANUS

AT THE THEATERS

At the Orpheum—

There is a rumor in circulation to the effect that Bessie Barriscale, who plays the principal part in "The Last Act" shown at the Orpheum today and tonight, is scheduled to figure in one of the greatest and longest productions ever arranged by the Triangle company.

Likewise it is said that Ford Sterling on a play in which a bear chases "His Pride and Shame," is now working on a play in which a bear chases the distinguished comedian into the very group of people he has been trying to avoid.

The "Newsies" who sing at the Orpheum today and tomorrow deceive his appearance. His accompanist is worthy of special mention.

ES special request the Orpheum management has planned to show "Cinders of Love," the Keystone comedy of the first half of the week, on Saturday, matinee only.

The members of the Topeka police and fire departments are invited to attend as guests of the Orpheum.

At the Iris.

Theda Bara, star of "Gold and the Woman," is a vampire on the screen and, according to scores of needy New York families, an angel in real life. On the second Monday of each month Miss Bara holds a sale of cast off gowns. The proceeds of the sale she donates to tenement families who have come to her attention. She recently entertained the members of her Sunday school class at a theater party at the New York Hippodrome. The children were accompanied by Miss Bara and two of the mothers. Following the matinee performance there was a party in Miss Bara's apartments, each of the little guests being presented with a book of Biblical quotations, a box of candy and Miss Bara's photograph.

Miss Edith Leeson, Miss Mildred Kiser, Mrs. Clarence Webb, Mrs. G. E. Wetling, Mrs. Homer Allison, Mrs. Morzian Washburn, Mrs. A. Beville, Mrs. Clyde Slawson and Mrs. Ira Handover. The next meeting will be held in two weeks at the home of Mrs. W. E. Benton of Michigan avenue.

Miss Ethelyn Koser entertained the members of the Eola school house, three miles southwest of Meriden, Saturday evening, March 25.

The program will be given by Miss Iva Peck, who has been teaching in the Boltz school for the last two terms and will consist of music and recitations. Miss McAllister of Topeka will give several readings and D. H. Wallace of the Lyman school will deliver a short address.
